Suits - Matching Pieces, Match Wear & Care

Don't make a suit, a separate! Wearing one piece of a matched set or suit can result in uneven wear and an eventual variation in color between the two items.

It is always recommended that matching pieces i.e. suits, sweater sets, etc/ be cleaned together, regardless of whether or not both pieces were worn or appear soiled. This 'clean matching pieces together' advice also applies to bedroom ensembles, slipcovers, draperies, etc.
